

# Production, compilation and Dissemination of MDG Data and Metadata

Zimbabwe National Statistics Agency (ZIMSTAT),  
Zimbabwe

Handrick Chigiji

# ZIMSTAT Functions

- Some of ZIMSTAT's functions are to coordinate the National Statistical System (NSS), develop and promote the use of statistical standards and appropriate methodologies in the NSS.
- Its major roles are the collection, collation, analysis and dissemination of integrated, relevant, reliable and timely official statistics in Zimbabwe.

# ZIMSTAT Functions (Cnt)

- Conduct household surveys in the social and economic areas as well as censuses of population and housing and the censuses of business establishments.
- 
- Compiles and publishes the monthly, quarterly and annual indices of building material, consumer price, producer price and civil engineering price and indicators.

# Production and Collection

- MDG data are produced through National Surveys, Censuses and Administrative Data
- In most of the national surveys, ZIMSTAT tries to include MDG indicators
- The surveys covers almost 90 % of the MDG indicators

# Production and Collection (Cnt)

- Some of the national surveys are:
  - Multiple Indicator Monitoring Survey (MIMS)-MICS
  - Labour Force and Child labour Survey
  - Zimbabwe Demographic Health Survey (ZDHS)
  - Poverty Income Consumption and Expenditure Survey (PICES)
  - Population Census
  - Inter-Censal Demographic Survey

# Compilation

- Developed a National Database which houses MDG indicators called Zimbabwe Statistics Database (ZIMDAT)
- ZIMDAT is a national database, developed from DevInfo software. Which provides method to organize, store and display data in a uniform format to facilitate data sharing at country level, across governments, civil society, UN departments and other developmental partners and the general public.

# Compilation (Cnt)

- The main objective of creating ZIMDAT was to democratize access, use and dissemination of accurate data on a wide range of demographic, socio-economic and environmental indicators including the MDGs in a user-friendly manner.
- ZIMDAT is run by 13 member Inter-Ministerial Task force

# Compilation (Cnt)

- Formed an MDG committee which is part of ZIMDAT taskforce team formed in March 2011 to avail data for MDG indicators
- National MDG report compiled by Ministry of Labour and Social Services

# Dissemination

- ZIMDAT is disseminated through a CD
- It was launched in 2005, it is disseminated annually
- Disseminated through various survey reports by way of Workshops
- Training of use and creation of Databases
