2. Upcoming global milestones of the 2030 Agenda
3. The High-level Political Forum on Sustainable Development 2025

ECOSOC Partnership Forum - 5 February 2025

- Theme: “**Advancing sustainable, inclusive, science- and evidence-based solutions for the 2030 Agenda and its SDGs for leaving no one behind**”
- Partnerships are at the heart of a common vision for multilateral action defined in the **Pact for the Future** and the **Political Declaration of the 2023 SDG Summit**
- Partnerships are not just tools but crucial **pillars for achieving the 2030 Agenda** by fostering **collaboration across sectors** and **leveraging shared strengths to amplify impact**, drive **progress** and **ensure that no one is left behind**
- Examples of progress, particularly on **SDG 3**, through **partnerships** such as the **Global Fund to Fight AIDS, Tuberculosis and Malaria** and the **Global Partnership for Sustainable Development Data**.

ECOSOC Coordination Segment (6 - 7 February 2025)

- This event provided **forward-looking policy guidance** to the work of the UN. ECOSOC President Bob Rae highlighted the **SDGs** as “**the common sense of humanity**” and called for “**a culture of collaboration.**”
- **Best practices of partnerships** were presented, including the **Spotlight Initiative**, which has protected more than 21 million girls and women from gender-based violence; the **Global Ghost Gear Initiative**, which engages over 130 stakeholders to tackle abandoned fishing gear to reduce marine pollution; and the **Infrastructure for Resilient Island States (IRIS) initiative**, which aims to strengthen resilience against climate and disaster risks.
- ECLAC’s ES José Manuel Salazar-Xirinachs participated in **Panel 4: Creating employment and decent work opportunities for all** and stressed the need for a **sustainable digital transition** to drive **job creation** in the region as tackling **low growth, inequality and weak institutions** requires **bold policies, digital skills and innovation.**
