

An aerial photograph of Barbados. The foreground shows a coastal area with a sandy beach, turquoise water, and a stone wall. A small island with a church and some buildings is visible in the water. The background shows a dense residential area with many houses and lush greenery. The text "THE BARBADOS 2023 VNR PROCESS" is overlaid in the center in a bold, orange font.

THE BARBADOS 2023 VNR PROCESS

BARBADOS' SECOND VOLUNTARY NATIONAL REVIEW

**Barbados presented its first
Voluntary National Review in 2020**

**For this VNR, we are aiming to
provide a more comprehensive
outlook on the country's progress
towards implementing the SDGs.**

LESSONS LEARNED THROUGHOUT THE 2023 PROCESS

01

**Early Planning
&
Time
Management**

02

**The Importance
of Wide
Stakeholder
Engagement**

03

**The Importance of
Quality
Disaggregated
Statistics**

THE MAIN OPPORTUNITIES FOR ACCELERATION OF THE SDGS

Increasing Public Awareness of the SDGs

THE MAIN OPPORTUNITIES FOR ACCELERATION OF THE SDGS

Enhancing Stakeholder
Participation:

Providing Increased
Opportunities for
Stakeholders to Share
Ideas and Knowledge

THE MAIN OPPORTUNITIES FOR ACCELERATION OF THE SDGS

Improvements in
Statistical Capacity:

The Barbados Statistical
Service will be
undergoing some
restructuring

HOW HAVE WE SOLVED OUR MAIN CHALLENGES IN 2023 VNR PREPARATION?

01

Requesting Assistance When Needed

02

Mobilisation of Stakeholders

03

The Use of Surveys and Interviews

An aerial, isometric-style view of a city with a harbor. The city features various buildings, including a large one with many windows in the foreground, and a harbor with several boats. The text "THANK YOU" is overlaid in the center in a bold, orange, sans-serif font. A solid orange vertical bar is located on the right edge of the image.

THANK YOU
