

# ESCAP-ECA-ECLAC WORKSHOP

## Regional Digital Trade Integration Index (RDTII): findings and implications from Asia-Pacific, Africa, and LAC

HYBRID MEETING, UNCC MEETING ROOM H & ZOOM

22 – 24 FEBRUARY

### ABOUT

- This event is part of the [ESCAP-ECA-ECLAC initiative on Digital Trade Regulatory Analysis](#).
- It will present the ESCAP-ECA-ECLAC report on [Digital Trade Regulatory Review for Asia-Pacific, Africa, and LAC 2023](#).
- The workshop also includes roundtable consultation to improve further the RDTII framework and discuss the implications for capacity-building needed.
- The workshop is intended for policymakers, officials, and policy analysts working on trade policy in connection with the digital economy.

### PROGRAMME HIGHLIGHTS

#### 22 FEBRUARY 2023\*

- Launch of the Digital Trade Regulatory Report 2023 and the ESCAP-ECA-ECLAC Platform
- Digital trade regulatory landscape in Africa

#### 23 FEBRUARY 2023

- Digital trade regulatory landscape in FEALAC countries

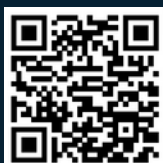

#### 24 FEBRUARY 2023

- Roundtable consultation on the RDTII methodology, data collection challenges, expansion of the database, and implications for technical assistance needs

*\*Simultaneous interpretation in English and French will be provided for the February 22 session.*
