THRIVE  
TRANSFORM**

*Building Synergies for the  
Implementation of the Global  
Strategy for Women's,  
Children's and Adolescents'  
Health in Latin America and  
the Caribbean.*

**SUB-REGIONAL CONSULTATION:**

**CARIBBEAN**

**1-2 June, 2017**

The Crane Resort

Crane, St. Philip, Barbados

## DRAFT AGENDA

**EXPECTED RESULTS:** to arrive at a common multi-sectoral understanding of the Global Strategy and its implications in the context of the Caribbean.

**OBJECTIVES:**

- To present the Global Strategy and discuss its implementation in the Caribbean context.
- To formulate recommendations for adaptation and implementation of the Global Strategy at the sub-regional and national level in the Caribbean.
- To present the Global Strategy monitoring and indicator framework and its specificities within the framework of the SDGs and to generate inputs to improve accountability.
- To facilitate alliances between stakeholders working on women's, children's and adolescents' health in the Caribbean.
