Social Affairs Officer

Latin American and Caribbean Demographic Centre (CELADE)-Population Division
Economic Commission for Latin America and the Caribbean

UNITED NATIONS

ECLAC

Technical Assistance

- To prepare Voluntary National Reports covering public policy measures adopted since the fourth review and appraisal in 2022
- The purpose of the technical assistance is to increase the number of Caribbean Member States reporting
- In the previous review only, Jamaica was able to present the report
- Target: all Caribbean Member States reporting
- Provided by the Latin American and Caribbean Demographic Centre (CELADE)-Population Division of ECLAC

UNITED NATIONS

ECLAC

Technical Assistance

- Online Sub Regional Sessions design for public civil servants involved in the preparation of the report
- Topics:
 - ✓ Older persons and development
 - ✓ Health, well-being and aging
 - ✓ Ensuring enabling and supportive environments
- Ad hoc sessions on topics requested by Member States
- Peer learning between Caribbean Member States to share experiences and best practices
