# Workshop "Contributions of international migration to sustainable development" Kingston, June 2023

DA Project: "Harnessing the contribution of intra-regional migration to socio-economic development in LAC countries"

Strengthen the national capacities of selected LAC countries to harness the socioeconomic benefits of intraregional migration and its contributions to sustainable development.

- **January 2020 to June 2023**
- **Costa Rica, Chile, Jamaica, Mexico y Peru**
- **Global and regional context of tensions (debate focuses on costs while contributions are invisible)**
