

Institutional Challenges of the TPP Process

ECLAC-IIT Workshop on 21st Century Trade Agreements

Andrew Stoler, Institute for International Trade

TPP Challenges

- Organizational Challenges
- Public Policy Challenges
- Economic Development Challenges
- Overlapping Agreement Challenges
- Next Generation TPP Challenges

Andrew Stoler, Institute for International Trade

Organizational Challenges

- Scale of the TPP Undertaking
- Application of the Single Undertaking Principle
- Relations with Stakeholders

Andrew Stoler, Institute for International Trade

Public Policy Challenges

- Investor-State Dispute Settlement
- Appropriate Intellectual Property Protection
- Export Taxes & Export Restrictions
- Negative List Services Negotiations

Andrew Stoler, Institute for International Trade

Economic Development Challenges

- Competition Policy
- Government Procurement
- Treatment of State-Owned Enterprises
- Implementation Flexibilities

Andrew Stoler, Institute for International Trade

Overlapping Agreements

- Example: New Zealand - Singapore
 - NZ-Singapore FTA
 - P-4 Agreement
 - AANZFTA
 - TPP

Andrew Stoler, Institute for International Trade

Next Generation TPP

- + Japan, Mexico, Canada
- + Taiwan, Korea, Colombia
- + China?
- Need for a WTO-style accession approach

Andrew Stoler, Institute for International Trade
