

Ports Ranking

The Top 20 in Latin America and the Caribbean in 2015

ECLAC updates every year its ranking of container port throughput, which shows the cargo volume in containers in 120 ports of the region, based on data obtained directly from port authorities and terminal operators. In 2015 this activity grew 1.7%, with a total volume of approximately 48 million TEU. This infographic displays the first 20 ports of the ranking.
