Advancing the 2030 Agenda through climate action: Integrated solutions for regional implementation

Joint roundtable of Regional Commissions at
COP22 (Official UNS Side Event)

Objective:

The side-event aims to explore how implementation of the 2030 Agenda can be advanced in the region through integrated climate actions

Opening remarks by the Moderator

Mr. Yvo de Boer, President of the Sustainability Challenge Foundation and Founder of Responsibility

Members of the panel

Mr. Christian Friis Bach
Executive Secretary of UNECE

Ms. Shamshad Akhtar
Executive Secretary of ESCAP

Ms. Rima Khalaf
Executive Secretary of ESCWA

Mr. Abdalla Hamdok
Executive Secretary a.i. of ECA

Mr. Joseluis Samaniego
Director. Sustainable and Human Settlements
Division of ECLAC

Special guest speakers

Mr. David Nabarro, UN Special Adviser
on the 2030 Agenda for Sustainable Development

Ms. Daniele Violetti, Chief of Staff
the United Nations Framework Convention on Climate Change

The side event will specifically:

1. Explore the interface between the IN-DCs and the SDGs: including the common goals across the two agendas, how to strengthen co-benefits, understand trade-offs, prioritization and sequencing;
2. Identify the potential for synergies between implementation streams at the regional level;
3. Highlight core technical and institutional capacity gaps across the regions: covering follow-up and review, as well as means of implementation; and
4. Discuss the role of regional commissions in implementing Agenda 2030 and the PA and how they can support countries to fill the main technical and institutional capacity gaps identified, and ensure that synergies between the agendas can be exploited
