... on the basis of the objective principles and provisions of the Convention and in accordance with decision 4/CP.23, initiated the Koronivia joint work on agriculture (KJWA), taking into consideration the vulnerabilities of agriculture to climate change and approaches to addressing food security.<sup>1</sup> They welcomed the submissions from Parties and observers on elements to be included in this work.<sup>2</sup>

2. The SBI and the SBSTA requested the secretariat to organize the workshops referred to in the annex in conjunction with the specified sessions. They encouraged accredited/admitted observers to participate in these workshops. They consider a variety of issues that should be addressed during the workshops, including gender, youth, and local communities and indigenous peoples. They also requested the secretariat to prepare a report on each workshop referred to in the annex for consideration during the sessions of the SBI and the SBSTA following the sessions in conjunction with the specified sessions. They also requested the secretariat to prepare a report on each workshop referred to in the annex for consideration during the sessions of the SBI and the SBSTA following the sessions in conjunction with the specified sessions.

3.
