April 3 and 4, 2017, Santiago, Chili

Pillar 1: Means of implementation – DA 10

Objective

To enhance capacity of developing countries to strengthen statistical institutional environments and production processes across multiple statistical domains to measure, monitor and report on the 2030 Sustainable Development Agenda

Implementing entities

Leader: UNSD

Co-leader: ESCAP

Regional Commissions: ECA, ECE, ECLAC, ESCWA

United Nations Organisms: Habitat (Human settlements), UNCTAD (Commerce and development), PNUMA (Environment), UNODC (Drugs and crime)

Pillar 1: Means of implementation – DA 10

Sustainable Development Goals

SDG 17

Targets

- 17.18: by 2020, enhance capacity-building support to developing countries, including for least developed countries and small island developing States, to increase significantly the availability of high-quality, timely and reliable data disaggregated by income, gender, age, race, ethnicity, migratory status, disability, geographic location and other characteristics relevant in national contexts
- 17.19: by 2030, building on existing initiatives to develop measurements of progress on sustainable development that complement gross domestic product and support statistical capacity building in developing countries

Pillar 1: Means of implementation – DA 10

Indicators

17.18.1 Proportion of sustainable development indicators produced at the national level with full disaggregation when relevant to the target, in accordance with the Fundamental Principles of Official Statistics

17.18.2 Number of countries that have national statistical legislation that complies with the Fundamental Principles of Official Statistics

17.18.3 Number of countries with a national statistical plan that is fully funded and under implementation, by source of funding

17.19.1 Dollar value of all resources made available to strengthen statistical capacity in developing countries

17.19.2 Proportion of countries that (a) have conducted at least one population and housing census in the last 10 years; and (b) have achieved 100 per cent birth registration and 80 per cent death registration

Pillar 1: Means of implementation – DA 10

Expected accomplishments

EA1 Enhanced capacity of target countries to launch or improve institutional mechanisms and procedures, at national and local level, for the production and utilization of SDG indicators

EA2 Enhanced capacity of target countries to complement traditional statistical data sources with new data sources, including Big Data, for measuring SDG targets and indicators
