Instrucciones

Revisar las siguientes instrucciones antes de ingresar la información de su país.

Read the following instructions before entering the information for your country

Las columnas marcadas en amarillo son campos obligatorios que usted debe completar

Columns highlighted in Yellow are compulsory fields you must complete

Por verde son columnas que no son modificables

Green columns which cannot be modified

Por azul se completan una vez ejecutadas las macros de este archivo

Blue columns are completed once the file macros are run

Explicación de las diferentes variables / Explanation of the different variables - INPUT

Para insertar filas para carga de más información

To insert rows for more than one object

Para ejecutar la validación de la información

To run the validation of the information

Para más información ver manual de usuario

For more information see the user manual
