# PRASC

**Project for the Regional  
Advancement of Statistics  
in the Caribbean**

**Projet régional pour  
l'avancement de la statistique  
dans les Caraïbes**

Funded by the  
Government  
of Canada

**Canada** 

## PRASC Overview

- Statistical Capacity Building to 14 CARICOM Member States
- 7 years (March 2015 to March 2022)
- Technical assistance on four components:
  - National Accounts
  - Business Survey Infrastructure
  - Household Survey Infrastructure
  - Communication and Dissemination
- Focus on regionalization and sustainability

## Some highlights

- Supply and Use tables for several Member States
- Improving methodology of surveys
- Business Register for several Member States
- Improved CPI in a few countries
- E-collection for the LFS in Bahamas
- Working on data analysis – workshops and in-country assistance to produce analytical reports
- Websites for several Member States

## Some highlights

- Greater focus on using Administrative Data
- Media training with STATIN
- Advocacy project with OECS
- CCS website and knowledge base
- Leadership workshop
- Census workshop and support
