

BRIEF CV

Name: José Gabriel Porcile Meirelles

Date of birth: 25 June 1959

Address: Siria 6195, Montevideo, Uruguay

e-mail: jose.porcile@cepal.org

Phone: +598 99657182

Nationality: Uruguayan

CI: 3.427.879-8

Employment

Director, ECLAC Office, Montevideo, since February 2021

Economic Affairs Officer of the Economic Commission for Latin America and the Caribbean – ECLAC

From February 2011 to February 2021.

Associate Professor, 2006 to 2010

Department of Economics

Federal University of Parana

Adjunct Professor, 1995-2005

Department of Economics

Federal University of Parana

Affiliate Researcher, CNPq (National Research Council), from 1998 to 2010

Responsible (in different periods) for the courses of Macroeconomics, Development Economics and International Economics at the undergraduate level; and for the courses of Growth Theory and Development Economics at the graduate level.

Education

Ph.D., London School of Economics (LSE), Department of Economic History, University of London (1995)

Mestre em Economia, UNICAMP, Brazil

Igeniero Agrónomo, UDELAR, Uruguay

Other Teaching and Research Activities

- Visiting Scholar, Columbia University, Institute of Latin American Studies (ILAS), August 2017-January 2018
- Visiting Scholar, New School University, July 2014

- Visiting Scholar, Columbia University, Institute of Latin American Studies (ILAS), July 2013.
- Visiting Professor, Master Degree in Economic History, Facultad de Ciencias Sociales, Universidad de la República, Montevideo, Uruguay, from 1998.
- Visiting Professor, Master Degree in Latin American Development, Universidad Internacional de Andalucía, La Rábida, Spain, 2005, 2008, 2010.
- Visiting Scholar, Universidade de São Paulo (USP), January 2006 - December 2006

Research Interests

- Structuralist and Keynesian growth and distribution models
- Technological learning and structural change, empirical and theoretical aspects
- Interactions between short run macroeconomic policies and long run growth
- The political economy of development in Latin America
- Policies and institutions for economic growth and distribution in a comparative perspective.

Selected Publications

A. Articles in Refereed Journals (outside Brazil)

1. “Structural change, productive development, and capital flows: does financial “bonanza” cause premature deindustrialization?”, *Industrial and Corporate Change*, diciembre 2022;, dtac056, <https://doi.org/10.1093/icc/dtac056> (with Alberto Botta and Giuliano Toshiro Yajima).
2. “Un Modelo de Tres Brechas”, *El Trimestre Económico*, Vol. 89 Núm. 353 (2022): enero-marzo, pp. 127-297 (with Camila Gramkow).
